## MEDICINAL.

### HALF SICK

Generally the expression is, "I don't feel half well," though sometimes people say, "I feel half sick." But there is no such thing as feeling half sick. The man who feels half sick is all sick. As a rule, the cause of the weak, tired, half sick feeling is disease of the stomach, resulting in loss of nutrition and consequently in physical weakness.

Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores strength by enabling the perfect digestion and assimilation of food. It makes half sick people all well.

"I suffered for four years with pain in my stomach so that at times I couldn't work nor eat," writes Mr. Frank Smith, of Granite, Chaffee Co., Colo. "I wrote to you about my sickness and was told to use your medicine, which I did with good results. I only used four bottles of your 'Golden Medical Discovery,' and must say that I am entirely cured and feel like a new man, and I can highly recommend your medicine to any sufferer."

"Golden Medical Discovery" contains no alcohol and is entirely free from opium, cocaine and all other narcotics. It is strictly a temperance medicine. Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach. The "Common Sense Medical Adviser," one thousand and eight large pages, in paper covers, is sent free on receipt of twenty-one one-cent stamps, to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

### WARNING TO ADMIRAL.

The protest of Paymaster Biscoe and Lieutenant Williams, of the navy regarding the language used by Rear Admiral Evans in reviewing the findings of the court which tried Assistant Paymaster Richard Nicholson, has presented to the Navy Department such a knotty problem that the legal authorities of the War Department have been consulted as to the attitude which should be assumed toward the Admiral, an unusual proceeding. The protest went direct from the Bureau of Navigation to the Secretary of the Navy without the judge advocate general passing upon it. After considering the matter in all its details, it is said that Secretary Moody concluded to sustain Admiral Evans. Later the Secretary changed his mind, for what reason is not known, and at Secretary Moody's instance Assistant Secretary Darling took the matter up. Although his opinion has not been made public, it is understood he takes the position that Admiral Evans in no unequivocal terms attacked the integrity of the members of the court, and that having done this and if he had the evidence at hand to sustain his charge, it was his duty to order a court-martial of the officers to whom his remarks were directed. Not having so acted, it is understood that Mr. Darling holds that the Admiral was derelict in his duty and should be reprimanded.

The matter had reached this stage when Secretary Moody determined to enlist the legal talents of Secretary Root, who, it is understood, has given his view of the case. Among the papers were a number of precedents in cases where severe rebukes had been administered by secretaries of the navy to court-martial, but these were not parallel, the secretaries themselves having convened the courts, as provided by the regulations where vessels are sufficiently near for this to be done. In Admiral Evans' case, however, he being both the convening and reviewing authority, there was no appeal from his decision, except that in the exercise of the pardoning power, which might be a mitigation of the verdict aside altogether, the secretary would have authority to act. It is said that it is Secretary Moody's present intention to return to Admiral Evans the findings in the Nicholson case, with a notification that he had decided to dismiss the protest of the two officers—Biscoe and Williams—but warning the Admiral not to repeat the offense.

### U. S. SENATOR INDICTED.

The federal grand jury at Omaha, Neb., yesterday evening returned true bills against United States Senator Chas. E. Dietrich and Postmaster Jacob Fisher, of Hastings, Neb., charging them with conspiracy and bribery in connection with the appointment of Fisher to the position of postmaster. The indictment against Senator Dietrich charges that he accepted money and property in consideration of his recommending Fisher for appointment as postmaster at Hastings. That against Postmaster Fisher charges him with making an agreement with Senator Dietrich by which the former was to pay in property and money \$1,300 for securing to Fisher the appointment. Four other cases said to be of similar nature are being investigated by the grand jury, and a report on all or part of them is expected very soon. All are cases in which postoffices and postmasters are concerned.

Senator Dietrich and Editor Rosewater of the Omaha Bee, have arrived in Washington and last night all inquiries as to the indictment of the Senator were referred to Mr. Rosewater, who declared that the indictments were the result of a political quarrel. Mr. Rosewater declared that District Attorney Sommers had pushed the charges against Senator Dietrich for the reason that they were politically antagonistic.

MAER CAMP.—At a called meeting of Marr Camp, held recently, the following business was transacted. Rev. E. Meade offered the following resolution:

That Marr Camp meet June 1st, 1904, for the purpose of unveiling the monument to be erected to commemorate the death of Capt. Marr, who was the first soldier killed in battle in the Civil War.—1st day of June, 1861.

The following committee was named to take charge of the affair: Rev. E. Meade, R. Walton Moore, Judge Love, S. R. Donohoe and J. N. Ballard.

Capt. Ballard offered the following: That the Daughters and Sons of Confederate Veterans at this place, the Daughters of Confederate Veterans at Falls Church, the Memorial Association and Company I, be requested to assist Marr Camp in raising the money to erect the same.

Resolved, That our sincere thanks be returned to Mrs. Geo. J. Head for her work in raising funds for the Marr monument, and that we hope she will continue her efforts until the work is completed.

Hon. Jno. F. Rixey contributed \$10

### INDICTED FOR EMBEZZLEMENT.

Daniel C. Chamblain, former mayor of Baltimore, N. C., and cashier of the Biltmore estate, and George R. Tennent, heretofore timekeeper for the estate, were indicted by the grand jury of the Superior Court for embezzlement of \$11,000 office funds from George W. Vanderbilt. Both men have left the State and their whereabouts are unknown. The finding of the grand jury is the result of investigations which have been conducted for the last two months. When the rumors of peculation of the estate moneys were first started a general denial was made at the offices. The sudden return of Mr. Vanderbilt from Europe and the employment of expert accountants to examine the books resulted in open charges being made against the two accused men, who were dismissed from Mr. Vanderbilt's employ for "violating the regulations of the office." The master of Biltmore made no effort to prosecute the offenders, but at the special term of the Criminal Court last month Fred Hull, expert accountant, and E. J. Harding were summoned before the grand jury.
